18 February 2011

To: The Gila County Board of Supervisors

From: Luetta J. DuBois

Greetings,

Off and on for over the past 40 (forty) years I have been a part of or interested in the political process at a grass roots level. Currently I am employed, part-time, as the Gila County Sheriff's Office media liaison and serve in that same capacity to the Gila County Meth Coalition. I feel a person who is able to work with the media is an important part of any political committee. I am also the secretary (officially and unofficially) to several organizations including the Tonto Basin Residents, Roosevelt Residents Organization, the Tonto Basin Fire District Board and "Fishing With an Attitude " committee. A person who is able to take decent notes/minutes is also a vital necessity to any committee. Two of these assignments are covered under Arizona's Open Meeting Law.

So, why do I wish to continue offering my skills and abilities to Gila County? I worked for U. S. Senator Richard Lugar (R-IN) for 8 (eight) years in my home state. He taught all of his staff, paid and volunteer, the honor of serving and giving back to ones community, I currently hold an uncompensated elected position on the Tonto Basin Fire District Board. I have been involved in grass roots politics for many years. This is where it all begins, and there is nothing more grass roots than helping form a new Congressional Representative District. Sen. Lugar also taught that honesty and integrity were a necessary requirement when dealing with the public's trust. Personally I still believe this is true. During my active years I saw both political parties in my home state attempt to structure redistricting to one or the others electoral advantage. This does not serve the public interest well and I pledge to you that I would strive to see this does not happen with this new district.

I have lived in Gila County in the communities of Roosevelt and Tonto Basin for over 10 years and can't think of anywhere I'd rather live and work. My goal would be to see that our rural communities have the representation they so deserve from our elected officials. Too often it seem our needs are ignored or neglected because we lack the population necessary to generate much political clout. However that doesn't mean the needs aren't there or shouldn't be addressed. Working on this committee gives Gila County an opportunity to be heard and I would like to be a part of that process and help make it happen.

Thank you for your consideration.

Sincerely,

Luetta J. DuBois

Dear Mr. Pastor,

Please consider me for a position on the Gila County Redistricting Advisory Committee. Since I retired in 2005 I have become very interested in the critical issues of our times. My past experience as an Office Manager, customer educator, and permit puller, for a Sewer and Private Sewage Disposal Systems Contractor in California; has made me very detail oriented and capable of working with all kinds of people. I consider myself very open to all sides of issues and would therefore do my best to promote an even balance of residents to the various districts of Gila County.

Currently I am a member of the Town of Payson's Traffic Advisory Board, a Precinct Committeeman Delegate to the AZ State Republican Party meetings, Vice President of the Payson Tea Party, and Director of the Wednesday night Awana Children's program at our church.

Again, I hope you will consider me as one of your Redistricting Committee members...

Shirley J. Dye

Supervisor Mike Pastor
Gila County Board of Supervisors
1400 E. Ash
Globe, AZ 85501-1414

Dear Supervisor Pastor:

I am a semi-retired commercial building contractor and I am interested in being considered as a member of the Gila County Redistricting Advisory Committee.

I was raised in Globe, where I attended primary and secondary schools and graduated from the University of Arizona. I am married and my wife (also a Globe native) and I have spent the majority of our lives in Arizona and most of that in Gila County. I have watched Arizona and Gila County grow since graduating high school in 1960 and am keenly interested in this 2011 redistricting. I am well acquainted with the people of the entire county and feel I could be of service in communicating with the public for the purposes of providing information and gathering public input.

I am well versed in organizing and scheduling tasks, running meetings and encouraging others to complete projects.

I asked several friends to write a short note of recommendation that I could attach to this letter. I requested that the note be addressed to you and I fear that some were mailed directly to you. I apologize for any inconvenience this may have caused your staff.

Thank you for considering me for this important task.

Stan Langham

Supervisor Mike Pastor
Gila County Board of Supervisors
1400 E. Ash
Globe, AZ 85501-1414

Dear Supervisor Pastor:

Stan Langham has applied for appointment to the Gila County Redistricting Committee. Having known Stan for more than 20 years, I highly recommend him for this position.

As a native (or close to it) of the Miami/Globe region and a longtime resident of the Payson area and, Stan has familiarity of most of Gila County and I believe he would be fair and impartial in his work on this committee. Stan is thoughtful, intelligent and has common sense. He should work well with other members of the committee while standing for what he believes is right.

I have known Stan to be honest and hard working in his business dealings and other activities. He has also been involved in various community affairs and other worthwhile service efforts including Toastmasters, the Payson Choral Society and his church.

If I can provide additional information, please don't hesitate to contact me at 928 468-1470 (office) or 928 978-5360 (cell).

Sincerely,

G. Scott Flake

Mike Pastor,
Supervisor District 2
1400 E. Ash Street
Globe, AZ 85501

Dear Mr. Pastor:

I am writing to recommend Stan Langham for your consideration to be selected as a member of the Gila County Redistricting Advisory Committee.

While Mr. Langham has lived in Gila County for over 20 years, I have known him for over eight years. During that time he has impressed me as being a man of integrity and thoughtful intelligence. Having also been the owner of his own business, including experience working with government agencies, he would bring a mature, honest and valuable perspective to this committee.

Thank you for your consideration of his selection. Please feel free to contact me if you have any further questions.

Sincerely,

Alana L. Wallace,

Payson, AZ

(resident for 17 yrs this summer)

BOARD OF SUPERVISORS

Attn: Mike Pastor, Supervisor, District 2

Re: Mr. Stan Langham as a candidate for the Redistricting Advisory Committee

I have known Stan Langham for many, many years as a friend and also as a contractor. In all this time he has consistently displayed an unusual balance of character.

He is known for having an open mind, the flexibility to work with others and compromise when necessary to achieve desired end results. His work habits are without peer.

Stan is active in Payson town affairs on a regular basis, but not in a political manner. I've always admired his skills in avoiding partisan politics in order to advance progress for the good of the people.

I recommend this man for the subject committee. He will serve well and, with his sense of humor and dedication, will help to make a solid and sound redistricting event a positive fait a complis.

GILA COUNTY - DISTRICT II
BOARD OF SUPERVISORS

Dear Mr. Pastor,

I am writing you on behalf of Stan Langham. Stan has been a friend and neighbor for 12 years. I was flattered and honored that he asked me to write a letter of recommendation in his name. Stan is an honest man with good humor and dependability to boot. He was the general contractor on my dental office expansion and remodel and I felt he was more than reasonable, flexible and a true professional at all times. Stan has been active in many community programs over the years such as Toast Masters and the Community Choral Society among others and has many opportunities to listen to other community members. He is also a helluva piano player. I have no reservations about highly recommending Stan Langham for the Redistricting Advisory Committee.

Sincerely,

Charles M. Beier

Re: Redistricting Advisory Committee

Dear Mike,

I believe the committee needs to be able to work cooperatively, adhering to a consistent high level of fairness, objectivity, and absence of bias. I do that routinely, seeking fair and factually based objective solutions for otherwise problematic situations. I do want to bring this experience and background to the 2011 redistricting committee.

I am qualified to serve on the committee as I have no conflict with any of the Committee Selection Guidelines, and the Division of Elections can so confirm. My interest and self-disclosure form is attached.

I have previously engaged in community service for the county, as executive director of the Arizona Partnership for Forest Health, and as a leader and trainer for Rim Country American Red Cross volunteers.

As a concerned citizen, I have observed and offered comments - when relevant and appropriate - at several public meetings of county supervisors, town councils (Payson or Star Valley), Payson Citizens Awareness Committee, Gila Community College Board, as well as hearings of the Arizona Senate's Education Committee.

I am affiliated with the Payson satellite of the Northern Arizona Military Officers Association of America (Retired CDR, USN), a past president but now an inactive member of the Rim Country Toastmasters Club, as well as a past division governor over 20+ clubs.

I look forward to serving Gila County on this Redistricting Committee as one of your preferred appointees.

Thank you,

Lewis M Levenson

Re: Application for Gila County Redistricting Advisory Committee

Dear Supervisor Pastor:

My interest in serving on the Committee is the same as the County Supervisors and all residents of Gila county, that is, to help insure a fair and unbiased redistricting process that will help guide us forward over the next 10 years.

I have been a permanent resident of Tonto Basin and Gila County for over 10 years, having retired here from a 30 year career in the insurance industry. During the last 10 years I have served on numerous boards as both a board member and chairperson, including, positions as President of the Tonto Basin Chamber of Commerce, Director and Co-Chair of the Gila Foundation For Higher Education, and currently Director of the Northern Gila County Economic Development Corporation. During the 2010 Census I worked as a Recruiter for the Census Department responsible for recruiting programs in Gila County. I also most recently agreed to join the Board of the Payson area Habitat For Humanity.

My experience on boards brings with it the ability to help develop consensus among individuals of diverse opinions. I am also aware that a position on this board comes with the responsibility to not only follow Federal guidelines, but to demonstrate a belief in the basic principal of fairness, and to help insure that all residents of Gila County have a voice in moving the County forward.

I consider service on these types of civic boards as an opportunity to give back something for the years of success I benefitted from the service of others.

Sincerely,

R. Jerome Miles

Linda Eastlick, Director
Gila County Division of Elections
1400 E. Ash Street
Globe, Az 85501

Dear Mrs. Eastlick:

As a third generation native of Gila County I would like to be considered for the 2011 Gila County Redistricting Advisory Committee.

I believe I am qualified for a position because of my long interest in and participation in local government and state affairs. I keep up to date through various media on affairs that affect Arizona and of course, Gila County. As a member of the local media I perhaps have a greater understanding of some of the issues than a regular reader/viewer.

As to my expertise for this appointment, I have a Master's Degree from Arizona State University in Community Education and a Certificate of Leadership from the University of Phoenix both of which by their very titles indicate the study of being able to bring people together for the good of an organization. Although in the past eight years I have not served in any elected or governmental position, I have held them in the past.

My mother's family arrived in the area over a hundred years ago and my father's over 95 years, so I have a personal history of the development of the area and see long range in both directions where we have been and where we should be going. We need adequate representation to accomplish any change. One of those changes is where we will stand in a redistricting so that representation is fair.

I hope you will consider me for the Gila County Redistricting Advisory Committee.

Regards,

Linda J. Pearce

February 14, 2011

Dear Mike,

This letter is being address to you for consideration for the coming Redistricting Advisor Committee. My name is Adelaido Rodriguez and I go by Laido for short.

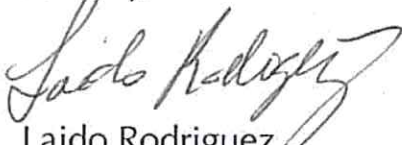

I am a native of Globe, Arizona and was born, raised, and educated in the GUSD. I attended Gila Committee College and graduated with an AA in General Studies. I also attended Arizona State University in 1978 for one semesters.

I have always had an interest in representing the population of Gila County equally. Therefore, I feel the leadership the citizens elect too represent this County (Gila) should reflect that equality. I've served as committeeman for district II and various organizations in the past years. My last service to Gila County ended with eight years in the Miami Unified School District #40.

I feel that these last eight years have given me a strong quality too serve with a group, in an impartial and open mind forum, for the future of our County.

Feel free to call me at 982-473-3172 for more information.

Sincerely,

Laido Rodriguez
