Ms. Eastlick advised that this request to form study groups was made by the Gila County Redistricting Advisory Committee. The study group will have no official capacity to take action, but rather it would be formed to focus on specific areas. The Committee's desire is for a group of people to obtain information for forming supervisorial districts and college districts, delve into that information in more detail and give the Committee that information along with feedback from the public. Upon motion by Vice-Chairman Martin, seconded by Supervisor Dawson, the Board unanimously adopted Resolution No. 11-06-03. **(A copy of the Resolution is permanently on file in the Board of Supervisors' Office.)**

Resolution 11-06-03 Amending Redistricting Advisory Committee Guidelines

Background Information

On March 15, 2011, the Board of Supervisors adopted Resolution No. 11-03-03 amending the Redistricting Advisory Committee Guidelines. The Board of Supervisors has the authority to create and/or amend redistricting guidelines. The Redistricting Advisory Committee has requested the Board of Supervisors amend the Guidelines once again to provide for study groups.

Evaluation

The Redistricting Advisory Committee would like to form study groups from among the Committee Members for the purpose of:

- Breaking out portions of the work to be performed by the Committee.
- Analyzing, studying, or evaluating public input including maps received from the public,
- Creating summaries of the public input.
- Reviewing evaluations and statistics developed by the redistricting consultants relative to the public input/maps received.
- Ranking public ideas in order of importance as perceived by the study group.
- Presenting all the public input, their rankings, and other ideas to the full Redistricting Advisory Committee, the redistricting consultants and Gila County staff.

Any study group established would have no authority to adopt plans nor to take any other action otherwise reserved for the Redistricting Advisory Committee.

Conclusion

It is anticipated study groups will facilitate the processing of large amounts of information since each group would focus on a different area of the work to be performed by the Committee.

Recommendation

The Elections Director recommends adopting Resolution No. 11-06-03 amending the revised Redistricting Advisory Committee Guidelines to provide an opportunity for the establishment of study groups.

Suggested Motion

Information/Discussion/Action to adopt Resolution No. 11-06-03 amending the Gila County Redistricting Advisory Committee Guidelines, which were established by Gila County Resolution 11-03-03, to provide for the establishment of study groups.

GILA COUNTY
REDISTRICTING ADVISORY COMMITTEE GUIDELINES

In an effort to ensure a fair and unbiased redistricting, a fair and unbiased selection process of Redistricting Advisory Committee members, and a clear understanding of the role of the Committee members, the Gila County Board of Supervisors hereby adopts the following guidelines:

1. Each year following the decennial census, a Gila County Redistricting Advisory Committee (hereinafter "Committee") shall be established to provide recommendations for the redistricting of Gila County Supervisorial districts and Gila County Community College Precincts (districts).

Amendment No. 1 to Professional Consulting Services Contract No. 2010/100 with Federal Compliance Consulting LLC.

Background Information

On November 16, 2010, the Board of Supervisors approved Professional Consulting Services Contract No. 2010/100 between Gila County and Federal Compliance Consulting LLC for redistricting of the Gila County Supervisorial Districts and proceeding with an application to the Department of Justice to bailout from Section 5 obligations pursuant to the Voting Rights Act of 1965. The College Districts nor Justice of the Peace Districts were not included in the initial contract., but are included in this Amendment No. 1.

Evaluation

It has been determined that redistricting the Community College Districts and the Justice of the Peace Districts will be required since both elect by district. This is the first time these areas must redistrict since at the time of the previous census, the Community College Districts did not exist and the JP's were not elected by district.

Conclusion

The Community College and Justice of the Peace Districts must redistrict and the most economic and efficient way to accomplish the task is to include them with the Supervisorial redistricting process.

Recommendation

The Elections Director recommends approval of Amendment No. 1 to the Professional Consulting Services Contract No. 2010/100

Suggested Motion

Approval of Amendment No. 1 to Professional Consulting Services Contract No. 2010/100 for redistricting services for the Gila Community College Districts and the Gila County Justice of the Peace Districts in the amount of \$15,000.
